WELCOME FROM THE PRESIDENT

Dear Colleagues,

it's my great pleasure to invite you to participate in the proceedings of **13TH International Conference on Thoracic Oncology (CIOT)** that, in its annual recurrence, takes place in Venice, from June 19TH to June 20TH 2025 organized by AIOT (Italian Association of Thoracic Oncology) and that I have the honour to chair.

I would like to call your attention to three interesting aspects of the Conference.

INTERNATIONAL FORM

90% of Faculty is composed of foreign speakers, everybody playing an active part in clinical research in Thoracic Oncology and KOL in their respective Countries. We expect significant foreign attendees. The official language of the Conference is English.

LOCATION

The Hotel Monaco & Grand Canal welcomes you in a historic building located in the heart of Venice, just a few steps from "Piazza San Marco" and "Palazzo Ducale". Beautifully overlooking the Grand Canal it offers direct access through its exclusive and scenic "water gate".

GOALS

Setted immediately after ASCO meeting, the Conference gives an update on the data coming from Clinical Research in Thoracic Oncology directly from the voice of its Authors. They are most representative in an appointment that we would like to be lasting inside of the international congressional track.

For these reasons I'm trusting that you should appreciate the effort of the organizing secretariat to realize this scientific meeting doing credit to us with your attendance in Venice.

Arrivederci

President of 13TH CIOT
Filippo de Marinis
